

Good Catholic Man (reprise)

Paul N. Dion / Allen M. Dion

I'm positively perfect and politically in tune.
I can commit most any crime and still remain immune.

The people they all love me, and I'm popular for sure.
I have a gift for telling lies.
I'm the one they all adore.

Now I proudly do confess
That I finally possess
the recognition as

A very, very, very, very, very, very, very, good Catholic man.
