

Never Heard of Her (reprise)

Paul N. Dion / Allen M. Dion

She's curiously horrible.
There's no doubt she's in the inner circle.
Never heard of her.

Annoying and controlling.
Can't please her or appease her.
Appears right out of nowhere,
Like a migraine or the flu.

CHORUS

Never heard of her.
Never heard of her.
Please God,
Never hear of her.

She's only getting started,
Calling people on the carpet.
Acts mean and cold-hearted, and how.

CHORUS

Never heard of her.
Never heard of her.
Never heard of her.
