

Tunnel Them to Freedom

Paul N. Dion / Allen M. Dion

There's a time to be awakened. Our mission's been divined.
It's laid out before us. We can't ignore its message or these crimes.
The hand of God commands us. Be righteous in our minds.
But when faced with pure evil, protect and defend all humanity.

We shall tunnel them to freedom and print Christian I.D. cards.
We'll melt Vatican gold vessels and pay ransom to the guards.
Since the world believes we're silent, we'll keep our profile low.
Subterfuge and darkness allow passage of our precious cargo.

So many people dying, so we'll have to be bold.
If we can't raise the money, then we will melt the Vatican gold.
There's no other cause of action that needs our attention more.
When the hand of evil rouses and is knocking on our door.

There's no way to look the other way.
It's our charge and solemn duty to meet the challenge and win the day.
But I never thought I'd have to defend the idea of the soul's sacred nature.
All God's children created equal by their birthright and God's covenants.

CHORUS

It's the time to be awakened. Our mission's been divined.
It's laid out before us. We can't ignore the message,
It's a time to be awakened. Your mission's been divined.
It's laid out before you. You can't ignore the message or hate crimes.
So help us tunnel them to freedom and leave suffering behind.
And let God's love shine so brightly with no one left behind.
